### **SECTION V - JUDICIARY PROCESS**

- a) The Ethics Committee shall compile data which will permit the Ethics Committee to arrive at a preliminary determination as to whether the complaint is well founded and requires further investigation. The Complainant(s) can choose to remain anonymous until the Ethics Committee determines that there is a need for further investigation and/or hearing. If further investigation is deemed necessary, the Ethics Committee will give notice of the filing of a complaint, the nature of the complaint and provide the identity of the Complainant to the Respondent within thirty (30) days of receipt of the original complaint. If the Ethics Committee finds that the complaint is unfounded, they may dismiss the complaint and notify the Complainant(s) in writing.
- b) The Ethics Committee may contact any individual or entity (whether an ABFA Diplomat or not) in its investigations of written allegations against a Diplomat that are submitted under the guidelines in Section IV.
  - (1) Letters of informed consent shall be provided to each witness when witness statements are requested, and that witness shall be provided with a copy of this Code. The consent form will include information about who will see the witness's statement and if/how it will be shared. If, after being advised thus, witnesses are willing to provide a statement, the signed consent form shall accompany the statement, and both shall be received by the Ethics Committee within seven (7) days of the witness being notified that the Ethics Committee requests a statement.
  - (2) The witness shall be informed that he/she/they shall not confer with others regarding their statement, nor shall they discuss the investigation with anyone other than the Ethics Committee.
- c) If the Ethics Committee finds enough evidence during the preliminary investigation to suggest that a complaint may be substantiated, a hearing will be convened. The Complainant(s) or Respondent may request that there be no hearing, but the final decision resides with the Ethics Committee. If a hearing is convened, the Ethics Committee shall give both the Respondent and the Complainant(s) a reasonable opportunity to be heard and address each other. As circumstances vary, the format of the hearing is set at the discretion of the Ethics

Committee and may be asynchronous/via electronic communications, a synchronous virtual meeting, or an in-person meeting.

- (1) For the purpose of setting up a formal hearing, official notice shall be sent by certified mail with return receipt requested, or by electronic mail with receipt acknowledged by the recipient to both the Respondent and Complainant(s).
  - (2) The Respondent shall receive a copy of the written complaint. He/she/they is entitled to see the document in its entire form. The Respondent will be given thirty (30) days from receipt of the hearing request to advise the Ethics Committee of his/her/their intention to provide a written, electronic, or oral defense against the charges.
  - (3) After receipt of the notice from the Respondent (by certified mail with return receipt or by electronic mail with receipt acknowledged by the recipient), and if the Ethics Committee decides to proceed with the investigation and adjudication, a formal hearing date will be mutually agreed upon by the Complainant(s), the Respondent, and the Ethics Committee. This date will be at least ninety (90) days from said receipt of official notice in order to give both parties adequate time to prepare for the hearing.
  - (4) At this hearing no legal counsel for either the Respondent or Complainant(s) may be present. The non-voting attorney member of the Ethics Committee will be present for the purpose of assuring that propriety, protocol, and adherence to proper procedures is maintained during the hearing. The attorney member shall act in an advisory position to the committee only and shall not be involved in the presentation of the case for either party.
  - (5) The Ethics Committee shall make a report, which will include a recommendation to the ABFA Board of Directors at the conclusion of the hearing(s). Recommendations can include, but are not limited to the following forms of discipline, which are determined at the discretion of the Ethics Committee in consultation with the Board of Directors:
    - (a) Private or public written reprimand(s), probation, formal apologies, and/or any other rectifications deemed appropriate by the Ethics Committee (sensitivity training, ethics training, workshops, community service, etc.);
    - (b) Suspension: Suspension is the removal of a Diplomat's association with the Board and his/her/their certification status for one year from the date of the notification. The duration of suspension may be reduced if certain conditions are met or at the discretion of the Ethics Committee in consultation with the ABFA Board of Directors. If, however, there are additional violations of the Code of Ethics, modifications to the duration of suspension or decertification may be imposed at the discretion of the Ethics Committee in consultation with the ABFA Board of Directors.
    - (c) Decertification: This is used to remove a Diplomat's certification. This action is appropriate in situations where it is not reasonable to expect that the Diplomat will be able to correct the problem(s) or when a Diplomat would severely damage the reputation of the ABFA if he/she/they were associated with the ABFA.
- d) Upon a vote of three-fourths (3/4) of the members of the Board of Directors present and voting, the Respondent may be issued sanctions as described in Section V(c)(5). No Board of Director member or member of the Ethics Committee who has a conflict of interest shall sit in deliberation on any manner concerning ethics. A conflict of interest exists if (1) the member witnessed the actions of the Respondent in the events leading to the complaint, (2) is a supervisor of the Complainant(s) or Respondent, or (3) believes he/she/they cannot be impartial in the deliberations or vote. The Respondent will be notified within ten (10) days of the vote by the ABFA Board of Directors.
  - e) The Respondent has the right to appeal the action of the Board of Directors. In effecting an appeal, the Appellant must file a brief written notice of the appeal, together with any written statement he/she/they may wish to submit on his/her/their behalf, with the ABFA Secretary not more than thirty (30) days after receiving notice of the action of the Board. Electronic submission of these documents to the ABFA Secretary is preferred. Upon receipt, the Secretary shall immediately advise each member of the Board of Directors of the appeal and shall forward to each a copy of the supporting documents submitted by the Appellant.
    - (1) If no appeal is received by the Secretary within thirty (30) days, the actions of the Board shall be implemented and may no longer be appealed.
    - (2) If an appeal is received within thirty (30) days, the Executive Committee shall prepare a written statement of the reasons for the Board of Directors' actions and file the same with the ABFA Secretary not more than thirty

(30) days from receipt of the appeal.

(3) Within thirty (30) days of receipt of the statement from the Executive Committee, the Board of Directors shall choose four (4) Diplomates-at-Large (not on the Board of Directors), and the Appellant shall choose four (4) Diplomates-at-Large (not on the Board of Directors) to populate an Appeal Committee to hear the appeal.

(4) The Secretary of the Board shall send the statements from the Appellant and the Executive Committee to each of the members of this Appeal Committee within fourteen (14) days after the Board is convened.

(5) The members of this Appeal Committee shall arrange a closed virtual meeting. The meeting(s) shall be strictly confidential. The Respondent, the Complainant(s), and any member of the Board of Directors shall not be part of the meeting(s). The non-voting attorney member of the Ethics Committee shall be part of the meeting(s) to assure propriety, protocol, and adherence to procedures. The attorney shall not represent either party involved in the hearing.

(6) Decisions of the Appeal Committee in the closed hearing will be based upon the written information provided by the Appellant, Executive Committee's written statements, and the Ethics Committee convened to oversee the original complaint. A written vote of three-fourths (3/4) of the Appeal Committee present and voting at the closed meeting shall be required to overrule the action of the Board of Directors in regard to issuing sanctions as described in Section V(c)(5).

(7) The Board will not refund any annual dues for the current year, in whole or in part. A Diplomat who has been suspended but reinstated after a successful appeal can resume active status without reapplying for certification. He/she/they must, however, express an interest to resume active status in writing to the President of the Board.

**SECTION VI: REQUEST FOR REINSTATEMENT:** A Diplomate who has been decertified may reapply for certification 5 years after the date of decertification. The individual is subject to the same application requirements as any other applicant, including taking the certifying examination. The individual must provide a detailed description of the circumstances of decertification along with any applicable remedies that have been undertaken by the individual since the decertification took effect.

**SECTION VII - CONFIDENTIALITY, RULES, AND PROCEDURES**

- (a) Any member of the Ethics Committee, Board of Directors, or Appeal Committee divulging information on matters previously considered or currently being considered could be in violation of the Code of Ethics and Conduct and is subject to charges of same being filed. This does not apply to written statements made and worded by the Board of Directors concerning ethical matters or about the case(s) being considered which may be distributed to the Appeals Committee by said person after Executive Committee approval.
- (b) The Ethics Committee shall formulate internal Rules and Procedures, and from time to time propose changes to such Rules and Procedures, designed to facilitate the expeditious, fair, discreet, and impartial handling of all complaints or matters brought before the Ethics Committee. The Rules and Procedures, and any subsequent deletions, additions, or amendments thereto, shall be subject to the approval of the Board of Directors.

Individuals wishing to establish eligibility to sit for the examination for a Certificate of Qualification in Forensic Anthropology granted by the American Board of Forensic Anthropology should contact the current Application Committee Chairperson of the ABFA.

To foster impartiality in reviewing the Case File Submission portion of the application, the names and affiliations of applicants will not be associated with those documents when they are under review. Each applicant will be assigned a random identifier when they contact the Application Committee Chairperson. The applicant should use that random identifier on each page of the redacted case reports and any supporting documents in place of their name.

      - Detailed instructions for submitting the redacted case files as well as the ABFA Case File Submission Evaluation Rubric are provided by the Application Chair;
      - Note that the submitted cases should reflect the work done solely (or primarily) by the applicant, and either need to be recent cases (completed within last 5 years) or mock cases.

The Application Committee Chair will distribute a copy of this rubric along with the detailed ABFA Application Packet Instructions. The Application Committee Chair will advise each

applicant of the Board's decision by September 1 in the year that the application is received.

- 6) The Board of Directors, at its discretion, may request additional information from the applicants or referees.
- 7) The original application form and copies of any denial letters sent to unsuccessful applicants will be retained indefinitely in the ABFA archive in accordance with the ABFA archiving policy. All associated Named Application materials such as the *curriculum vitae*, copy of the doctoral diploma, and letters of recommendation will be destroyed after three (3) years. The Case File Submission materials will also be destroyed after three (3) years.
- 8) Information in the application will remain strictly confidential. All Directors will destroy their paper copies or/delete electronic versions of the application materials used for application valuation purposes within thirty (30) days after the vote to accept or reject an applicant.

**Reapplication Procedure:**

- 1) The decision of the Board of Directors to accept or reject an applicant is based on a majority vote and is final.

- 5) New Case File Submissions will be required for review as part of the reapplication process. Exceptions may be granted if (a) the only criticism from the Board involved the lack of supporting documentation, and (b) the reapplication occurs in the year following the original denial.
- 6) If an applicant is denied a second time, they may not submit a third application for the following year. The applicant is encouraged to gain additional mentorship and training in the interim. After at least one full year has elapsed since notification of the second denial, the applicant will be allowed to submit a third application. If, after a total of three attempts, the applicant is still not approved to sit for the certification exam, they may not reapply without petitioning the ABFA Board of Directors for permission. In the petition the applicant must clearly demonstrate that substantive measures have been taken to rectify any deficiencies, including but not limited to additional formal training, coursework, and supervision and mentoring by a board-certified forensic anthropologist.

## **The Certification Examination in Forensic Anthropology Revised 21 April 2021**

### **Examination Committees:**

The ABFA Examination Committees consist of the Examination Development Committee, Examination Validation Committee, and the Examination Grading Committee. The Examination Committees are charged with administering the examination, including creating, proctoring, and grading.

The Examination Development Committee is responsible for creating the examination and examination key. The Examination Development committee will be responsible for soliciting new written examination questions or creating new questions as needed. The Examination Development Committee will submit all new written exam questions to the Examination Validation Committee. The Examination Development Committee will develop the practical exam. The Examination Validation Committee shall review the entire examination prior to its finalization. Members of the Examination Development and Examination Validation Committees will be responsible for proctoring the written and practical examinations.

The Chair of the Examination Development Committee will communicate the location and time of the examination to all examinees, and respond to all examinee questions regarding the content or administration of the examination. The Chair of the Examination Development committee will also communicate the exam results to examinees.

Members of the Examination Grading Committee will not be involved in creating or proctoring the exam. Also, they will not be involved in communications with the examinees prior to or following the exam. The only task assigned to the Examination Grading Committee members is the grading of the practical portion of the examination. They will grade the practical portion of the examination following the established examination key (after its validation by the Examination Validation Committee).

All members of the Examination Committees will sign a Confidentiality Agreement prohibiting them from discussing the examination content, examinees, or examination results outside the Examination Committees or ABFA Board of Directors.

### **The Certification Examination:**

- 1) The ABFA examination consists of a multiple-choice test and a practical test. It is designed to test the examinee's breadth and depth of knowledge in the field of forensic anthropology. For the multiple-choice examination, the examinee must be familiar with the forensic anthropology literature. This literature includes, but is not limited to, pertinent forensic journals and texts that are applicable to the practicing forensic anthropologist. While the examinee must be well-versed in current literature, seminal works should not be ignored.
  - a. In general, the multiple-choice questions cover, but are not limited to, the following areas:
    - i. Methods to establish the biological profile
    - ii. Trauma interpretation and biomechanical principles
    - iii. Anatomy, bone growth and development, osteology and bone histology
    - iv. Pathological conditions
    - v. Postmortem alterations
    - vi. Individualizing skeletal characteristics

- vii. Taphonomy and postmortem interval
  - viii. Scene processing
  - ix. Evidence handling, court procedures and legal concerns
  - x. History of forensic anthropology
  - xi. Identification
  - xii. Statistical analyses
  - xiii. Human/nonhuman classification and medicolegal significance
  - xiv. Standards and guidelines related to the practice of forensic anthropology (e.g., SWGANTH and OSAC)
- b. The practical portion of the examination consists of hands-on stations. Each station will provide the necessary equipment, standards, and guidance to complete the station. Also, magnifying glasses and penlights are available to the examinees during the practical examination. Examinees should read each station's instructions carefully and be sure to address all components, but do only what each station asks.
- i. The examination will assess the examinee's ability to apply a specific body of knowledge and skills to actual skeletal and dental material and, in some instances, radiographs.
  - ii. The examinee will demonstrate critical reasoning abilities and appropriate methods and experience to reach an organized, substantive answer to each question.
  - iii. The stations will test the examinee's competence in areas such as the determination of age, ancestry, sex, and stature, craniometrics, dental development, dental charting, minimum number of individuals, trauma recognition and interpretation, pathological conditions (providing a differential diagnosis), human versus nonhuman, analytical programs (e.g., *FORDISC*), taphonomy and radiographic assessment. The test may involve these examples, but is not limited to them.
- 2) The exam is typically scheduled by the Vice President prior to the examination.
  - 3) The examination will be administered in an area that provides an appropriate environment for the written and practical portions.
  - 4) An examinee must notify the Vice President of their intent to take the examination by December 1 of the calendar year that precedes the examination date.
  - 5) An examinee may choose to postpone the examination without reapplying or paying for the examination that year. The examinee must notify the Vice President of their intent to postpone by December 1 each and every year the choice to postpone is made. After three years of consecutive postponements, the examinee must reapply. The examinee may also be required to reapply if the Vice President is not notified of their intent.
  - 6) The examination fee must be remitted by December 1 of the year prior to taking the exam. Payment must be made electronically through the ABFA website. If the examinee fails to remit the examination fee by the deadline, they will not be allowed to take the examination the following year.
  - 7) Examinees are not permitted to bring reference materials or analytical aids (such as hand lenses, calipers, or lights) to the examination. During the examination, examinees will have access to appropriate standards and other materials. A list of standards and materials is available from the Vice President upon request.

**Grading:**

- 1) To foster impartiality in grading, the names of the examinees will not be associated with their answers until all the exams are graded.
- 2) An 80% grade is required on each section of the examination (80% or higher on the practical and 80% or higher on the multiple choice) in order to obtain ABFA certification.
- 3) The Vice President will notify the examinees of examination results no later than March 31 of the year in which the exam is taken.

**Re-examination:**

- 1) If the examinee fails one or both section(s) of the examination, the failed section(s) can be retaken a total of three times. The re-examination fee must be paid prior to each and every attempt.
- 2) The examinee must retake all failed sections of the examination during the following attempt.
- 3) The examinee may retake the examination the following year or may postpone for one year. The examinee must notify the Vice President of their intent to retake the examination or to postpone by December 1 of the calendar year prior to the exam. The examinee may be required to reapply if the Vice President is not notified.
- 4) Examinees wishing to retake failed sections of the examination beyond three attempts must petition the Board of Directors in writing for consideration. The petition letter must be submitted to the ABFA Secretary prior to September 1.

**Special Accommodations:**

- 1) In accordance with the Americans with Disabilities Act (ADA) and the ADA Amendments Act of 2008, the ABFA will provide reasonable accommodations for applicants with disabilities. Applicants should refer to these laws for more information regarding protected disabilities and applicable accommodations.
- 2) Documentation of an applicant's disability must be in writing and must be signed by a licensed or otherwise credentialed and appropriately qualified medical, psychological, or learning professional. Documentation should provide a specific diagnosis and description of the desired accommodation; it must also be dated and include the name, title, professional credentials, address, phone number, and signature of the person making the diagnosis and recommendation. The ABFA will protect such information in accordance with established law but reserves the right to verify the disability and to request additional information if necessary. Requests will be considered on a case-by-case basis.
- 3) The disability documentation, description of the desired accommodation, and specific request for such accommodation must be provided to the ABFA Vice President no later than December 1 of the year prior to taking the exam. The ABFA Board of Directors will consider and approve or deny all requests for accommodation and will issue a decision within 60 calendar days of receipt of the request. The ABFA will strive to make accommodations at no cost to the applicant; however, applicants may be asked to bear some or all of the cost of accommodation and/or to make the necessary arrangements, depending on the specific service(s) or modification(s) requested.
- 4) The ABFA will make every effort to honor requests for testing accommodations. However, if requests for accommodation are incompletely documented or received after the deadline, the applicant may be asked to take the test without the requested accommodation or defer the examination to a later date. Furthermore, accommodation requests will not be granted if they present an undue burden on the ABFA, provide an advantage over other candidates, or alter the ABFA's ability to measure fundamental skills or knowledge that the examination is designed to

test.

- 5) If a request for special accommodation is denied either in part or full, an applicant may appeal the decision. A letter describing the applicant's objection along with additional medical documentation (if appropriate) must be received by the Vice President within 60 calendar days after receipt of notification. A final decision will be made by the Board of Directors within 60 calendar days of receipt of the appeal.

### **Examination Appeal Process**

The American Board of Forensic Anthropology is committed to ensuring that candidates for certification have access to an appeal concerning the certification examinations. If an examinee chooses to appeal the ABFA Examination Committee decision (i.e., due to failure of an examination), the examinee must appeal in writing and clearly delineate each area of contention.

#### 1) Scope of Appeal

- (a) **Appealable Issues:** Candidates may appeal to the ABFA to raise concerns relative to the examination's administration (e.g., alleged bias/prejudice of a member of an examination committee or failure to follow established examination procedures) or to raise concerns of inappropriate conduct during the examination (e.g., use of unauthorized information or aids). Candidates may also request that examination grades be recalculated to confirm accuracy of the overall score.
- (b) **Non-Appealable Issues:** The ABFA validates all test questions. As such, the ABFA will not consider appeals based on examination content or the sufficiency or accuracy of answers given to examination questions.

#### 2) Procedure for Appeal

- (a) In order to appeal the examination outcome, a candidate must set forth the basis for appeal by submitting a letter via certified mail with return receipt requested to the ABFA President within thirty (30) days of the notification of a failed examination. Appeals postmarked after the thirty (30) day period will not be considered.
- (b) The appellant must select a Diplomate-at-Large to represent them throughout the appeal process. A Diplomate-at-Large is any ABFA Diplomate in good standing who is not currently serving on the Board of Directors. The name of the Diplomate-at-Large must be included in the appeal letter. If the appellant does not choose a representative from the Diplomates-at-Large, one will be appointed by the Chair of the Exam Appeal Committee.
- (c) Upon receipt of the letter, the President will promptly notify the ABFA Board of Directors of the appeal request.

#### 3) Decision of Appeal

- (a) The Exam Appeal Committee will review the appellant's letter and make a decision about the validity of the claim(s) and the appropriate course of action. Discussions regarding the appeal by the committee will normally be handled via a conference call.
- (b) Decisions regarding the appeal will be determined by a majority vote of the Exam Appeal Committee.
- (c) The Exam Appeal Committee Chair will notify the ABFA President of the outcome. The ABFA President will review the Exam Appeal Committee's decision to ensure compliance with the ABFA's appeal policies and procedures and will notify the Board of

Directors of the outcome. After approval by the ABFA President, the Exam Appeal Committee Chair will also respond to the appellant in writing via a certified letter within ninety (90) days of the date of receipt of the appeal. The response to the appellant will address each point raised in the appeal.

- (d) The decisions of the Exam Appeal Committee are final and are not subject to further appeals.

**Diplomate of the ABFA:**

Successful completion of both portions of the examination will qualify the individual as a Diplomate of the American Board of Forensic Anthropology and entitle use of the initials D-ABFA. Diplomates are issued a unique certificate number, issued in numerical order and occur in random order. Certificate numbers are never reused. New Diplomates will be required to submit a code of ethics endorsement prior to receiving their electronic D-ABFA certificate. New Diplomate names and contact information will be added to the ABFA website after the appeals process is completed. Hard copies of Diplomate certificates will be awarded at the next annual ABFA meeting in February. New Diplomates will not be eligible to be nominated for or hold a BoD position until after the ABFA Business meeting following their certification. This will allow new Diplomates time to learn about the ABFA and Board activities from the minutes of the annual meeting and other meetings throughout the year. New Diplomates will be eligible to serve as a Diplomate-at-large on BoD committees beginning after their certificate is granted. New Diplomates do not pay dues for the calendar year in which they are awarded their certification. The first dues payment will be due the December after the granting of their certificate.

The President of the Board has the pleasure of presenting the Certificate of Qualification in Forensic Anthropology to successful examinees at the next annual meeting of the Diplomates.

A list of Diplomates (current, deceased, retired, suspended) is on the ABFA website.

## **Recertification Revised 29 March 2020**

# **American Board of Forensic Anthropology Recertification Procedure**

## **1 Purpose**

Recertification (i.e., maintenance of certification) is required by the American Board of Forensic Anthropology (ABFA) as a means of demonstrating continued education and maintenance of skills in forensic anthropology and related forensic sciences. This document describes the procedures for ABFA recertification.

## **2 Scope**

This procedure applies to all Active Members of the ABFA seeking recertification or retirement status.

## **3 Terms and Definitions**

**3.1 Certificate of Qualification (also called a Certificate):** a certificate awarded upon successful completion of the ABFA Examination, signifying that the recipient is a qualified Diplomate of the ABFA.

**3.2 Decertification (also called Lapse in Certification):** the invalidation of a Certificate due to failure to comply with recertification procedures or annual requirements (see section 4.1).

**3.3 Recertification:** the process of maintaining active ABFA certification.

## **4 Recertification Requirements**

**4.1 A Certificate of Qualification (“Certificate”)** issued by the ABFA remains valid for three (3) years. The following are required for recertification (i.e., to maintain active certification status):

4.1.1 Pay annual dues by January 1 each year.

4.1.2 Submit a signed Adherence to Ethical and Professional Standards attestation by March 1 each year.

4.1.3 Submit a Recertification Form by April 1 during the recertification year, achieving a point total of 100 or greater.

## **5 Recertification Procedure**

Initial certification and recertification are valid for three (3) years and expire on July 1 of the third year of the certification. To maintain active certification status, recertification is required in three-year increments from the current certification or recertification. Upon initial certification, each new diplomate is placed in a recertification cycle, designated as Cycle A, B, or C. Therefore, the recertification cycle is determined based on the year a Certificate was first conferred. For example, Cycle A includes Certificate conferral years 2010,

2013, 2016, 2019; Cycle B includes Certificate conferral years 2011, 2014, 2017, 2020; Cycle C includes Certificate conferral years 2012, 2015, 2018, 2021.

**5.1** A Recertification Form must be submitted by April 1 for the appropriate recertification cycle.

5.1.1 A late fee will be imposed on Recertification Forms received after April 1. Additional late fees will be imposed on Recertification Forms received after May 1 and June 1 unless an extension is granted.

5.1.2 The Chairperson of the Recertification Committee will send a reminder by email by February 1 each year to all Diplomates requiring recertification that year to maintain active status.

**5.2** The Recertification Form will document forensic anthropological activity for the three calendar years prior to the expiration of the current certificate. For example, for a Certificate expiring in 2019, a Recertification Form submitted April 1 of 2019 documents activity for calendar years 2016, 2017, and 2018.

5.2.1 For the first recertification following initial certification, the Recertification Form will document activity for the three calendar years prior to the expiration of the certification, which may include activity prior to initial certification. Activity prior to initial certification may be applied toward the first recertification.

**5.3** The Recertification Form will document involvement in forensic anthropological activity in the following areas:

5.3.1 Employment

5.3.2 Professional Involvement

5.3.3 Professional Development Activities

5.3.4 Publications

**5.4** The Recertification Form will be evaluated by the Recertification Committee to determine eligibility for recertification.

5.4.1 The evaluation of the Recertification Form will be based on appropriateness of documented forensic anthropological activity and achieving a point total of 100 or greater.

5.4.2 The Recertification Committee will recommend to the Board of Directors whether recertification is accepted or rejected.

**5.5** Upon approval by the Board of Directors, the Diplomate will be considered recertified, and a new Certificate will be issued. The new Certificate will be valid for three (3) years.

## **6 Lapse in Certification (Decertification)**

**6.1** A lapse in certification may occur under the following conditions:

- 6.1.1 Failure to submit annual dues by January 1 of each year will result in notification from the Treasurer of the Board of noncompliance with recertification requirements. Following notification, failure to submit annual dues within thirty (30) days will result in a lapse in certification.
- 6.1.2 Failure to submit the signed Adherence to Ethical and Professional Standards attestation by March 1 of each year will result in notification from the President of the Board of noncompliance with recertification requirements. Following notification, failure to submit the attestation within thirty (30) days will result in a lapse in certification.
- 6.1.3 Failure to submit the Recertification Form by April 1 of the appropriate cycle year will result in notification from the Chairperson of the Recertification Committee of noncompliance with recertification requirements. Following notification, failure to submit the Recertification Form within sixty (60) days will result in a lapse in certification.

**6.2** The Recertification Committee, at its discretion, may grant an extension to the above deadlines.

**6.3** Upon a lapse in certification (under 1 year), the Certificate becomes invalid. Certification may be reinstated when all of the following conditions are met:

- 6.3.1 annual dues are paid;
- 6.3.2 the Adherence to Ethical and Professional Standards attestation is submitted;
